LEGISLATIVE COUNSEL'S DIGEST

AB 2473, as introduced, Huber. Capital area planning.

Existing law defines metropolitan area for this purpose as the greater metropolitan Sacramento area, including the City of Sacramento, the County of Sacramento, and the eastern part of Yolo County. Existing law requires the Department of General Services to report to the Joint Legislative Budget Committee and each member of the Legislature annually, summarizing various actions in connection with the Capitol Area Plan.

This bill would require the Department of General Services to request, and the Controller to provide, specified aggregated demographic information on employees of state agencies in the metropolitan area of and in each incorporated city in, Sacramento County. This bill would require this information be reported to the Joint Legislative Budget Committee and each Member of the Legislature, as described above.
